Dear Dr. Gillett:

The Association for Assessment and Accreditation of Laboratory Animal Care (AAALAC International) is pleased to convey that the University of Minnesota, Minneapolis, Minnesota is accredited. Our records show that the University of Minnesota initially achieved AAALAC International accreditation on July 25, 1980.

This interest, contribution and participation in the AAALAC International accreditation program is valued and appreciated. As you are aware, AAALAC International conducts site visits to institutions and requires being apprised of significant programmatic changes during the interim between these site visits. Should you desire additional information or wish to comment on any aspect of the accreditation process, please contact our office.

Sincerely,

Kathryn Bayne
