Deleting a Pending Amendment

Log into the system at: http://eprotocol.umn.edu/

- Only ONE amendment or continuing review form is allowed in the system at a time
- Amendments in progress are NOT under “Approved Protocols”
- Not everyone with access to eProtocol is authorized to delete

1. Click on the IBC tab
2. Click the “Delete Protocol” button
3. All pending items will appear with checkboxes on the left
4. Choose the appropriate box and click the “Delete Protocol” button again
5. A pop up window will confirm the deletion

Deleting an amendment will NOT delete the original submission.
